Welcome Back, Roosters and Chicks!

As we move into the end of the year, we are grateful for the incredible sense of community that continues to shine throughout our district. This month, we want to recognize the outstanding efforts of our students, families, and staff in collecting food donations for those in our community who need a little extra support during this season. Every building went above and beyond, creating fun and meaningful incentives to encourage participation, and the response was truly inspiring. Your generosity and teamwork are making a real difference.

November also marked the home stretch of the semester. We encourage our students and families to continue working hard, staying engaged, and celebrating progress along the way. Thank you for all you do to make our district a caring, committed, and successful place to learn and grow.

We encourage any and all staff, parents and students to send pictures and stories to Nicole Barbour (nbarbour@phr3.org) or Cathy Jobe (cjobe@phr3.org) to be featured in the newsletter, on Facebook, or our district website!

As always, thank you for your support! It's a great day to be a Rooster and Chick!

Thank you to our PH students and staff who helped with our drive thru food pantry before Thanksgiving break!

PRIMARY PRIDE

The Optimist Club recognized these Super Citizens this month. These Primary kids were celebrated for "being a friend to others."

Miss Vaught's first graders had fun writing stories!

Mrs. Logan's 2nd graders led the all-school assembly at the Primary School for November. They did an amazing job!

Primary School is having had so much fun with the food drive! Second grade students are helping with the tallying of points and Pre-K is helping with sorting the foods!!

Ms. Petersen's 1st graders worked with shapes to make number sentences! Math is fun!

McTeacher Night was a big hit for the Primary School. Thank you for your support!

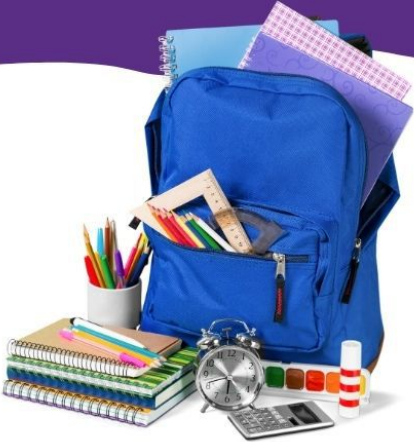

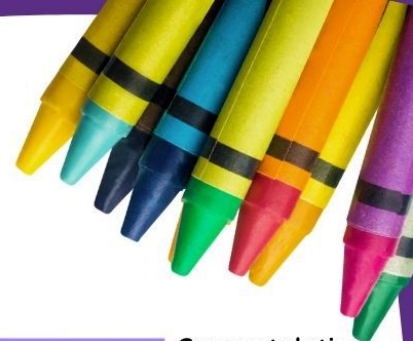

Kindergarten held their Balloons over Broadway parade for the students and staff!

Author, Izzy B., and illustrator, Ben Askew visited the Primary School today! They were very entertaining and had a little fun with Mr. Passmore. At the end of the assembly they shared that we were "the Best School Ever!"

ELEMENTARY ENRICHMENT

Congratulations to Mrs. Sash and our fourth graders on a wonderful music concert!

Shout out to the ES for rocking their Food Donations for Nourishment November!

4th Grade enjoyed a field trip to a Mavericks Hockey game!

Mrs. Culver's third graders did a STEM challenge using pumpkin gummies and toothpicks. The structure had to be sturdy enough to hold an object for 3 seconds. They did a great job working together to design and plan!

Mrs. Schmoll, Ms. O, and Ms. Grainger's classes are officially published authors! They got to share their personal narrative writing with each other while enjoying a snack and sunshine!

Congratulations to our 4th grade Spelling Bee contestants. Six students are moving on to the District Bee.

Mrs. Cook's third graders celebrated the end of their math unit by "going out to lunch!" Students became savvy spenders as they planned their own meals, choosing a drink, salad, appetizer, entrée, and dessert from the menu.

Stumpff's Squad got to celebrate collecting the most pop tabs with a pizza party and yummy snacks!

INTERMEDIATE INGENUITY

Congrats to all participants. It takes a great deal of courage to stand before others and spell words, especially some that are unfamiliar. Those students on the front row are the 7 that will advance to the district bee in January. We are proud of all our participants!

Art Club is on the finishing touches of the two chalk paint murals! The designers of each side, 5th graders Olivia S, Cheyenne S, and Madison C, were able to put their last marks on the murals.

Congrats to these Optimist Winners for November! Keep up the good work!

Friday's PBIS weekly drawing winners at PHIS won a \$5 voucher to the Book Fair. Making good choices is highly rewarding!!

You won't believe your eyes! Our STEAM CLUB students at PHIS tackled the ultimate autumn challenge: cutting a massive pumpkin in half using nothing other than 518 rubber bands! It was a lesson in force, elasticity, and sheer patience.

PHIS proudly celebrated our Veterans this month. StuCo served breakfast, Rockin' Roosters sang the National Anthem and fellowship was enjoyed by all. We thank all veterans and active military for their service.

Dr. Davidson helping out serving up a fantastic Thanksgiving meal for our students and staff!

HIGH SCHOOL ACTIVITIES

FFA

It's the most frustrating time of the year! According to the kids....
Greenhouse/ floriculture has begun their cedar wreath projects in time for the holidays!

Grilled cheese and Dutch oven practice brings the creativity and a slight feel of being over stuffed for our advisors but we love where we're headed!

One of our favorite activities each year! Food science and BBQ team got to team up to send a smoked turkey home with 13 families within our district who would other wise to without this Thanksgiving!

Can't forget to give a shout out to these 2 for their work at Central District Fall Speech contest! Gabi took 1st place in Pet Breeders category and will advance to state competition in March! Brett finished runner up and is alternate to state in Farm Bureau!

Things are looking different in the greenhouse this year! We can't wait to put all the new space to work for the spring plant sale! Seeds going in now.

Members had a fantastic night at Area 7 Public Speaking contest. Advancing on to districts next week Delaney Duncan (1st) & Julia Fannin (2nd) MO Qtr Horse Assoc, Adaline Worsley (2nd) & Isaiah Rusk (3rd, alternate) MO Sheep Producers, Gabi Marlow (1st) MO Pet Breeders, and Brett Miller (2nd) MO Farm Bureau.

We're excited to (re)introduce Bright Futures for the Pleasant Hill School District— and to share that we've recently reorganized our efforts to better serve our students and community!

As part of our recent reorganization, we've streamlined our communication, updated our processes, and relaunched this Bright Futures Facebook page to make it easier than ever for YOU to get involved

This space is dedicated to supporting students, families, and community members as we work together to remove barriers and meet basic needs.

What is Bright Futures?

Bright Futures is a community-based initiative that brings together schools, businesses, faith organizations, and volunteers to ensure every student has the tools and support they need to succeed — in and out of the classroom.

Whether it's a pair of shoes, a warm coat, school supplies, or a quick response to an urgent need, this page will serve as a hub for sharing real-time opportunities to help our students thrive.

How You Can Help?

Follow the Bright Futures Pleasant Hill Facebook page to stay informed about current needs in our district and learn how you can make a difference — sometimes with just a simple item or a few minutes of your time.

Together, we're building brighter futures — one act of kindness at a time.
